

Emergency Management activities include mitigation, preparedness, response, and recovery related to any kind of disaster, whether natural, manmade or technological. *Emergency management* means being prepared for all kinds of emergencies, able to respond in time of crisis to save lives and property, to recover from the event in the shortest amount of time and to help the University return to normal activities after a disaster occurs.

- Chief Safety Officer - **Mark Cavanaugh, CHSP, CFSP**
- Assistant to the Chief Safety Officer - **Patty Bardeen**

To report an emergency

Pick up a Blue Light Emergency phone.
Dial X13 from any other University phone.

Dial #413 from any AT&T or Verizon cell phone.

Dial (585) 275-3333 from any other cell phone
or other non-University phone.
