Other CHEMATIX Tips and Tricks such as NEVER DOUBLE CLICK can be found on the CHEMATIX Tips and Trick page.

Note about bookmarking the Chematix page:

Since the Chematix login is behind a university firewall, you will not be able to bookmark the Chematix page in the traditional way. Do not bookmark the login page, instead bookmark the next page. See screenshot.

Alternately, if you use Internet Explorer, once you typed the address in, it shows up in the drop downs under the web address. Then press the Shift + Enter keys and you should be brought to the login page.
