

Office Ergonomics Checklist

While you are seated at your computer workstation, use this checklist to analyze your workstation layout and posture.

1.
Can you avoid bending your neck and/or hunching your shoulder to hold your phone?
Yes No

2.
Is your eye level aligned with the top edge of the computer screen?
Yes No

3.
Are your wrists almost straight (in a neutral posture) as you work?
Yes No

4.
When you work, is your elbow at about 90°?
Yes No

5.
Are you able to view your screen without tipping your head either forward or back?
Yes No

6.
Can you easily view your computer screen or documents without leaning forward?
Yes No

7.
Are your shoulders relaxed and your arms down by your side as you use your keyboard / mouse?
Yes No

8.
Can you sit all the way back in your chair without pressure against the back of your knees?
Yes No

9.
Are the screen contrast and brightness set correctly for your visual comfort?
Yes No

10.
If you wear bifocals, do you have special glasses for computer work?
Yes No

11.
Are your feet fully supported by the floor or a footrest?
Yes No

12.
Does your chair provide good lumbar support?
Yes No

13.
Are you able to intersperse non-computer work (filing, copying, etc.) with your computer work?
Yes No

14.
Do you take "micro-breaks" to stand up, stretch, and focus your eyes on something far away?
Yes No

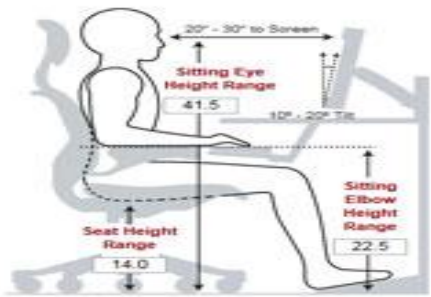

15.
Is your work area free of any sharp edges against your forearm or wrist?
Yes No

16.
Can you reach frequently used items (mouse, files, coffee mug, etc.) without stretching?
Yes No

17.
Is the screen free of any glare (reflections, white spots) from your work environment?
Yes No

18.
Is your copyholder right next to your screen and at the same height and distance from your eyes?
Yes No

Try Our Ergonomic Assessment Tool

Ergonomist Approved

= Equipment May Need Adjusting
 = Employee's Work Habits May Need to Change
 = Environmental Conditions May Need Adjusting

If all of your answers are "yes," congratulations! Keep up the good work! If you have any "no" responses, you should adjust your workstation so that your response can be "yes". To schedule an evaluation please call EHS at x53241.
